

Cutting Board Oil

Description:

Biohouse® Cutting Board Oil is made of food-grade mineral oil. It rejuvenates dry wood, including cutting boards, butcher blocks, countertops, wooden bowls and culinary utensils.

Biohouse® Cutting Board Oil penetrates deeply into wood pores and helps prevent wood from drying and cracking.

Biohouse® Cutting Board Oil is in comply with US FDA regulations on food contact safety.

Product No.:

430

Application:

Apply with a clean soft cloth. Apply a generous amount and let it soak in for at least an hour. Apply a second coat with the same method. Wipe away excess before use. For thick wood such as butcher blocks, apply 3-4 coats.

Wooden bowls and culinary utensils can be soaked for at least 30 minutes and wipe off excess.

Package:

5L

Storage:

Can be stored for 3 years or above if can is full and tightly closed.
